Dear Milt:

Please regard this letter as an acceptance of the invitation contained in your letter of January 4 to participate in the conference entitled "Europe in the Eighties," to be held in the State Department on Thursday and Friday, April 5 and 6, 1984.

I have noted that you wish me to open the afternoon session on Thursday with a 15-20 minute talk on NATO and Western Defense: European Views. I will make every effort to address issues such as set forth in your letter.

With all good wishes,

Sincerely yours,

Robert L. Pfaltzgraff, Jr.
